

## Flying Wrench Garage awarded city's first grant

**Azle, Texas (September 20, 2016)** - The city of Azle and its Municipal Development District (MDD) approved the very first application submitted for the newly created Facade and Signage Improvement Program grant which was rolled out in July.

The Flying Wrench Garage located at 101 Southeast Parkway, at the historic location of Creamer's Full Service Gas Station. More recently, the location has housed Wise Car and Truck Dealership. According to Christopher Simpson, the applicant, The Flying Wrench Garage offers a vintage experience for its customers.

The council voted unanimously to approve a matching grant for The Flying Wrench Garage in the amount of \$7,000 for signage and facade improvements.
